Listening and Staying in Touch

Congress of the United States
House of Representatives

Dear Friend,

2007 will be a crucial year for Ohio Agriculture Producers. This Congress will vote to reauthorize the Farm Bill and establish our nation's agricultural policy for the coming years. This bill will have an enormous impact on our farmers and rural communities in Ohio.

As a member of the House Agriculture Committee, count on me to be a strong advocate for our Ohio farmers and communities. To be as effective as possible, I need to hear from you and about your concerns. From February 17th through February 24th I will be conducting a district wide listening tour focusing on farm and agricultural issues.

I believe that feedback from you – Ohio's farm families and farm groups – is critical to the future of our nation's agriculture policy. For more information on my Farm Issue Listening Tour, please review the locations and times on the back of this mailer, visit my website at www.space.house.gov or call my office, toll-free at (866) 910-7577.

I look forward to seeing you.

Sincerely,

Zack Space
Member of Congress
